### Swap Meet

Bring items you want to sell or trade to the meeting night. Tables will be setup at the back of the meeting room.

Please take the time to review the signs posted downstairs of what can and can not be shot at the range. Do not shoot shotguns or shotgun ammo at the indoor range. This includes pistols like the judge! By the time shot leaves the barrel the pattern gets so large that people are hitting the support beams and the ceiling baffles and walls. You are also tearing apart the target carriers quicker. Also the 5.7x28mm is on the list of items that should not be shot at the range. It's frustrating to find spent cases of ammo that is on the do not shoot list on the floor or the benches at the range.

### Senior 22 Rifle League

Senior Rifle League started June 24th. Shooting will start at 6:00 pm. League has 3 nights in July Wed July 1, 8, 15. Ages 60 and up.

### Sidewalk Repairs

We are having the sidewalks at the range fixed this summer. At this time we don't have an exact date of when this is going to happen. As soon as we know details we will pass them on.

Reminder, during this corona virus pandemic there has been a huge panic buy on guns and ammunition so expect limited supply and long shipping times.

**Indoor Range will be in use on the following date**
